[redacted] advised that he currently resides at [redacted] Chicago, Illinois, which he explained is the headquarters of the American Nazi Party (ANP) in Chicago. [redacted] stated he was involuntarily terminated from his job with [redacted] Chicago, Illinois, for "political reasons" on April 30, 1962.

b6
b7C

[redacted] advised that the Chicago ANP continues to operate as a branch unit of the ANP headquarters in Arlington, Virginia. He stated the Chicago branch is, to a degree, autonomous though it remains subject to GEORGE LINCOLN ROCKWELL and the ANP national headquarters for final authority. In this regard [redacted] stated most decisions regarding the operation and practices of the Chicago branch are made locally, but are subject to the veto of the national organization.

b6
b7C

[redacted] stated all operations in the Chicago area are now carried on under the banner of the ANP. Previously he stated a certain element of their membership was assigned to the Fighting American Nationalists (FAN), a "front group" of the ANP. [redacted] stated the purpose of the FAN was to afford the young, inexperienced individuals with organizational training and certain indoctrination into National Socialism. In recent weeks, all activities have slowly been consolidated into the ANP operations and the FAN has ceased to exist in Chicago.

b6
b7C

Regarding the White Youth Corps, [redacted] stated such was an idea of [redacted] WAYNE MUELLER, [redacted] and did not exist as an organization per se, but rather was a level of affiliation with the ANP and FAN, specifically for the young element, unable to actually be accepted into membership because of their age. The White Youth Corps, [redacted] stated, is also out of existence since MUELLER became affiliated fully with the ANP and because [redacted] are now in the [redacted]

b6
b7C

[redacted] stated [redacted] continues to [redacted] and he, [redacted] estimated that the Chicago organization has approximately 50 persons connected with it as members, supporters, those interested, etc.

Date July 7, 1962

[redacted] Chicago, Illinois, advised that he first became affiliated with the American Nazi Party (ANP) approximately two years ago through membership in that organization's affiliated group, the Fighting American Nationalists (FAN). He came into contact with the FAN through [redacted] whom he met through unrecalled circumstances. [redacted] stated he became a member of FAN and attended meetings of that organization in the headquarters, [redacted] Chicago, Illinois. [redacted] stated that this is an assumption on his part for he has not been officially advised as to the status of his membership.

b6

[redacted] stated that he regards the ANP and its activities as entirely legal and has noted they are far above board in their attempts to maintain proper legal standing. He added that it is his belief that the ANP's greatest fear is that some action taken will be found illegal and will "sink the organization".

[redacted] said he found the ANP to be basically "racist" in nature and seeking strict segregation. It was for this reason that he joined that organization. Charges of anti-Semitism against the Party were inevitable since it is his opinion that "certain anti-Semitic tendencies" are necessary if strict segregation is to be promoted. [redacted] stated that he personally is in accord with the ANP in their efforts to bring about complete segregation. He stated he regards the painting of the Nazi swastika

on synagogues as "kid stuff". Further, [] explained knowing the organization as he does, he would definitely state that the belief that the ANP has any connection with past bombings or connections with the desecration of cemeteries is "sheer nonsense".

[] advised he regards GEORGE LINCOLN ROCKWELL as sincere in stating he will get complete control of this country by entirely legal means. Further, the reported statements that the ANP will dispose of large numbers of Jews as "traitors" is, in his opinion, meant to apply only to "racial traitors". [] stated he has participated in public demonstrations with the Chicago organization when it operated as FAN. He cited as an example, the picketing of the Israeli Consulate in Chicago in April, 1961 and the subsequent fight on the Michigan Avenue Bridge. In this instance, [] charged the "Jews were really out to get us", when the FAN representatives appeared in court following the occurrence.

b6

[] stated that because of his present position with United Airlines, at O'Hare Airport, he can no longer participate publicly with the ANP. He added that he visits the headquarters only occasionally and is unacquainted with the membership.

Chicago, Illinois
May 31, 1962

On Thursday, May 24, 1962, a meeting of the Chicago Branch of the American Nazi Party (ANP) was held at that organization's headquarters, [redacted] Chicago, Illinois. The meeting commenced at approximately 9:00 p.m. Present were the following:

b6
b7C

WAYNE MUELLER

b6
b7C

JOSEPH FUHRY
KENNETH FLECK
JOHN WALLACE

[redacted] commenced by saying that the meeting would not last long in that they had nothing to discuss. Most of the talk of the evening was concerned with the activities at the Vinland Book Store, which is currently being operated by the Chicago Branch of the ANP on the ground floor level of the headquarters building.

It is said that the Vinland Book Store is doing quite well and if the business continues, it will more than pay for itself. At the present time [redacted] are operating the store.

During the meeting it was mentioned that two new charges have been lodged against [redacted] but it was not explained if these charges were also to apply to WAYNE MUELLER. One of the charges, it is recalled, is concerned with distribution of oversized leaflets which evidently is in violation of city law.

b6
b7C

[redacted] who appeared for the second time at ANP headquarters, is employed as a [redacted]. He is white, male, approximately 6' 2", in his late [redacted] approximately 190 pounds, has [redacted] and reportedly has his own automobile which he drives to the meeting. It has been determined that [redacted] was present on one prior occasion, a meeting held May 3, 1962, at ANP headquarters.

b6
b7C

The headquarters unit dog recently jumped from the garage building adjoining headquarters and broke its leg in three places. [redacted] apparently intends to continue keeping the dog once it has recuperated.

It was learned that JOHN WALLACE has contributed \$50.00 towards headquarters operations costs and that KEN FLECK has donated \$5.00.

It was learned that WALLACE currently drives a 1960 Plymouth sedan.

b6
b7C

It was also learned that [redacted] of the National States Rights Party and a friend of [redacted] was present at the original meeting of the new Nazi party in Chicago. This organization is apparently not working out too well and it is anticipated it will probably fold in the near future.

In that there was no business to discuss the meeting terminated shortly after 9:30 p.m.

at American Nazi Party (ANP) Headquarters, [redacted]
[redacted] Chicago, Illinois:

JOSEPH FUHR
KEN FLECK
WAYNE MUELLER

[redacted]

[redacted] was not present at this meeting.

of the Vinland Book Store scheduled for May 24, 1962.

It was learned that during the course of the
evening [redacted] appealed to KEN FLECK for financial
assistance since [redacted] is not presently employed. It is
believed that he was only successful in getting \$5.00 from
FLECK.

It was also learned that [redacted] has signed
a complaint for JOSEPH BEAUHARNIAS charging BEAUHARNIAS
with assault. In connection with this it was learned that
police had visited the ANP Headquarters.

No plans are being made at this time for future
activity for the ANP. No information has been put out to
the membership regarding the once talked of national
convention to be held in Chicago nor has anything been
said concerning a visit of Commander ROCKWELL to the Chicago
area.

On Tuesday, June 19, 1962, [REDACTED]

[REDACTED] and WAYNE MUELLER appeared in court in connection with their arrests during the spring of this year following a picketing demonstration at the State Lake Theater. GEORGE LINCOLN ROCKWELL, National Commander of the American Nazi Party (ANP), who was visiting in Chicago at the time, also was observed in the courtroom. [REDACTED]

[REDACTED] of Milwaukee, Wisconsin, and WAYNE MUELLER's [REDACTED] [REDACTED] (Last Name Unknown) were also present in the courtroom.

Following the court appearance, all went to dinner together and then went riding around Chicago in [REDACTED] car. They returned to the Chicago ANP Branch Headquarters at about 12:15 a.m., June 20, 1962.

During the absence of the above group, KEN FLECK was placed in charge of the Headquarters. During the evening of Tuesday, June 19, 1962, while Commander ROCKWELL and the others were sightseeing in Chicago, FLECK, JOE FUHRY, and [REDACTED] [REDACTED] worked cleaning the garage, which is attached to the headquarters building.

b6

It was learned that [REDACTED] is planning on spending his vacation with [REDACTED] which is scheduled

to begin on June 29 or 30, 1962. Their plans are unknown.

[redacted] with the F. E. Compton Company, has been on the rolls of the unemployed. He is said to own one-third interest in the Vinland Book Store; however, he cannot take any revenue from this investment because of his status on Unemployment Relief.

b6

It was learned that Commander ROCKWELL visited the court on Wednesday, June 20, 1962, where [redacted] and MUELLER again appeared. Apparently ROCKWELL took no active interest in the proceedings, but appeared merely as a spectator.

On Wednesday night, June 20, 1962, ROCKWELL appeared at a "We The People" meeting held in Chicago, and during the course of this meeting, arose and challenged the group present to join him in picketing the Jewish War Veterans. He apparently received little or no response to this challenge.

On June 16, 1962, a meeting was held at the La Salle Hotel, Mezzanine, Parlor F, Chicago, Illinois. This meeting had been advertised as a National States Rights Party (NSRP) affair and MAX NELSEN, who identifies himself as Illinois representative of the NSRP, was responsible for the meeting.

Approximately 55 people were present, among which were the following:

[REDACTED]
MAX NELSEN

[REDACTED] of Milwaukee, Wisconsin
[REDACTED] of Milwaukee, Wisconsin

GEORGE LINCOLN ROCKWELL
[REDACTED]

b6

The meeting commenced at approximately 9 p.m. and terminated at about 10:45 p.m.

MAX NELSEN chaired the meeting and began by reading the prepared speech which was very long and uninteresting. NELSEN spoke of the Institute for Biopolitics and occasionally mentioned the NSRP. During the course of his talk, NELSEN gave no indication that the NSRP has a group in Chicago. This left some doubt as to the real purpose for the meeting or who actually sponsored it. Following NELSEN's speech, he

introduced GEORGE LINCOLN ROCKWELL, who spoke of the American Nazi Party, its aims and purposes. ROCKWELL was well received by those present.

Following completion of ROCKWELL's talk, NELSEN rose and praised ROCKWELL highly. He pointed out that he has never been nor is he now a Nazi, but he has changed his views of GEORGE LINCOLN ROCKWELL since his first meeting with him.

Each person attending this meeting was charged \$1 at the door and NELSEN announced upon the meeting's completion that a collection would be taken from those present as they left the room. The Proceeds of the meeting, less \$20, the rental charge for the meeting room, was to go for the benefit of the Vinland Book Store.

previously mentioned, is described as being a white male, late 40s, 5' 8" tall, 200 pounds, sandy hair thinning, has wild unkempt appearance, wears khakis, and frequently drives a Microbus.

It is noted that the Chicago organization no longer has its meetings on Tuesday and Thursday with the membership

divided as it has in the past. Meetings are again held as they were in the past.

Regarding the breakdown in the membership into the Storm Troopers and Administrative Division, it is generally regarded at the present time that only four members are considered as being assigned to the Storm Trooper Division.

These are [] WAYNE [] MUELLER.

It is believed that each person participating will be charged \$8 per person for these classes. No date has yet been set for the start of this activity.

It was learned that as of this date, only \$30 had been accrued for the July rent of \$175.

On Saturday night, June 16, 1962, at 8:45 p.m.
a meeting was held in Room F, La Salle Hotel, La Salle and

as a meeting of the National States Rights Party. MAX NELSEN

Approximately 55 people attended the meeting,

MAX NELSEN gave a 45 minute introductory talk in which he stated that the Institute of Biopolitics is an organization established to help prevent racial suicide by the white race -- to help the white race to continue to exist without being swallowed up by the black masses. His purpose in calling this meeting was to explain this and acquaint the people with the situation today. He stated that among the right the NSRP is the vote-getting branch and that the ANP is the action group. He said he personally is a member of the Institute of Biopolitics, and the Illinois representative of the NSRP but is not a member of the ANP. While the NSRP and the ANP have no official connection, they are connected in that both believe in separation of the Negro and the white. He stated that GEORGE LINCOLN ROCKWELL, ANP Commander, was present on this occasion at his invitation as guest speaker. He also gave a plug for the Vinland Book Store, 2124 North Damen Avenue, Chicago, operated by the ANP and stated he would appreciate it if people present would patronize that book store. He then introduced GEORGE LINCOLN ROCKWELL.

CG 105-4630

ROCKWELL then explainted what he and the ANP stand for. He stated that while he is against Jews generally, he is not against the Jew just because he is a Jew but rather he is against traitors and he estimates that about 80% of the Jews in this country are traitors. He stated that Communists are traitors and that Communism is Jewish, starting back with KARL MARX. He stated that he has adopted the swastika as a shock symbol -- that it is a symbol of the white struggle for survival. He said that it is a Jewish lie that HITLER committed all the atrocities attributed to him but that "we are going to do some of those things attributed to HITLER which he didn't get done."

ROCKWELL's remarks were very well received and the meeting closed with a "Sig Heil" between ROCKWELL and the audience.

During the evening a collection was taken up announced by NELSEN as for the purpose of helping to defray expenses of the Vinland Book Store. The collection proceeds went to [REDACTED] The admission charge to the meeting was \$1.00.

Prior to the start of the meeting all assembled in military fashion in Vinland Hall at which time the first uniform inspection was conducted by [redacted]. During the inspection [redacted] chewed out most all present for such things as unpressed and incomplete uniforms, dirty fingernails and unshined shoes. He also criticized all for not devoting enough time to the Party and being better National Socialists. He stated that eight hours a week was not any too much of his time for each member to donate to the party.

b6

After inspection [redacted] came into the hall and conducted the meeting. He outlined the purpose of the ANP as to prevent race-mixing, to have Jews and other traitors gassed and to do away with unemployment. He stated that eventually there will be only white men from one end of the country to the other. He then announced that the personal inspection will be held each week and that it will get progressively worse. He also chided several for failure to turn in their weekly work sheets.

CG 157-3

[] also announced that certain ANP members would picket on August 4, 1962, in front of "The Worker" office in downtown Chicago.

[] stated that due to a ruling of the United States Supreme Court the ANP cannot at the present time be classified as a subversive organization because in order to be a subversive organization two qualifications must be met. He stated these as, Number 1, the Party must be sponsored, represent or support a foreign government which is antagonistic to the United States. He stated there is no country in the world today that is run by any form of a Nazi government and the ANP, therefore, does not fall into that category. Number 2, the Party involved must subscribe to the violent overthrow of the American government by force of arms if necessary. [] stated that the ANP does not advocate any such action and that only honest, loyal Americans will be permitted membership in that organization. He continued that the ANP does not advocate the violent overthrow of the American government but that their goal in fact is to become the American government by the year 1972.

b6
b7C

[] then spoke of the "Traitorous Jews" who are attempting to destroy our country through various acts of treason and manipulation and control of the federal government. He stated that the United States government's entry into World War II was useless and an open act of treason in that the Japanese attack on Pearl Harbor was completely known in its last details to the White House six months before it occurred. The success of this attack, according to [] was absolutely assured by the fact that the American fleet was kept tied up at the Pearl Harbor Naval Base until the attack could be launched as planned. The Jewish businessmen and money manipulators, who controlled this country and have controlled others to the ruin of those countries, are responsible for our entry into World War II through their control over ROOSEVELT. He stated that these same people are now in control of President KENNEDY in the same fashion. He pointed out that it has been known for months that the Communist buildup in Cuba has been steadily taking place and that missiles were being installed but the Jews and the other traitors kept this country waiting until the last minute before doing something about it in order to throw the country into a war-footing and thereby divert the people from their more serious problems at home when the whole business could have been handled simply and easily two years ago.

b6
b7C

CG 157-3

He said that one of the more serious problems at home is the race problem we are now having in the South. The Governor of the State of Mississippi and others like him should be hailed as the absolute and dedicated heroes that they are. He continued that the Negro in the United States today is nothing more than a pawn of Jewish money. He related that the intelligent, educated and thinking Negro wants nothing to do with the white man but rather wants his own country, his own land, his own government. He does not want integration at anytime. The trouble, however, is that the lower class of uneducated Negroes have been reached and convinced by the Jews that he should integrate, that he should go to white schools, live in white neighborhoods and marry white women.

The Jews through these ignorant pawns have only one idea in mind -- the absolute destruction of the God-created white race as we know it. In order to stop this movement, we must be strong and never lose sight of our final goal. We must continually strive to reach that goal and to convince the American people of our sincerity and devotion. He concluded with the statement that ^{at} the time the ANP takes over operation of this government through the process of honest elections, the Jewish traitors to this country will be located, tried through due process of the law and complete and absolute punishment imposed.

[] stated that he had previously known JOHN WALLACE and considered him to be extreme in his support of the ANP philosophy. He was unable to furnish any descriptive data of [] (LNU) other than that he supposedly is employed as [] at the Drake Restaurant.

The evening was concerned basically with general discussion as to the current status of the ANP in Chicago, Illinois.

Among other things discussed was the fact that the Chicago branch is undergoing serious financial difficulties. They are behind in the payment of the current month's (October) rent and they do not have the finances to purchase necessary heating oil for the building. As of the time of this gathering, the gas stove in the kitchen was used to heat the entire second floor and was found to be most inadequate.

As a result of a recent attack by some unknown individual on ANP headquarters a "stink bomb" was hurled through the window of the building. The insurance covering this building had been cancelled and it was understood that the owner of the building has been unsuccessful in securing new insurance.

He also said that as a result of the bomb recently thrown into the building, the owner has had his insurance cancelled and is becoming more nervous about allowing the ANP to continue to occupy the space. Accordingly, other arrangements may have to be made in the near future. One suggestion being considered is the possibility of the ANP purchasing the building. Subject meeting was held on the tenth floor, Curtiss Hall, of the Fine Arts Building. An un-identified woman was stationed at the entrance engaged in collecting admission fees. The usual array of literature was not on display during this affair. The American flag was the only adornment observed in the meeting hall. Approximately two hundred and seventy-five (275) persons were in attendance. The only colored persons noted were the scheduled speaker [redacted] (unidentified). The majority of this assemblage was comprised of elderly Jewish individuals.

b6
b7C

The purpose of this meeting was to initiate a movement against Nazism, Anti-Semitism and Racism. The sponsoring organization - Jewish Cultural Clubs of Chicago - issued a call to all persons of the Jewish faith and other minority groups to band together in defense of their civil rights and liberties. The recent uprising of the ultra-right and the American Nazi Party is said to be the danger now confronting these minority groups.

The rally was called to order at 1440 hours by [redacted] of the sponsoring organization. [redacted] was one of a delegation of ten who petitioned [redacted] to "use your influence with Pres. Kennedy to bring about the annulment of the appointment of Gen Adolph Heusinger as chairman of the NATO Military Committee." At this time the audience was asked to stand and sing our National Anthem. Following this display of patriotism, the Chairman proceeded to introduce the purpose of this affair, and guest speakers. The featured speaker, [redacted] did not appear on this platform. Reason given was that she was called on short notice to attend an emergency session of the Illinois Legislature.

b6
b7C

[redacted] went on to give a brief talk on why the minority groups in America should unite in order to abolish the so-called fascist movement now taking place thru-out the world. He then spoke on the history of the United States back to the signing of the Declaration of Independence. [redacted] also reviewed the 1st, 13th, 14th and 15th Amendments of our Constitution. He said, "We are here today to initiate the movement to preserve our

democracy and our freedom of religion, speech and press. It gives me great pleasure to know that our Chicago Police Department is doing a tremendous job in maintaining order on the scene of the picket demonstration now confronting this meeting - led by members of the American Nazi Party."

In conclusion of his brief remarks, [] gave the eulogy for the late Eleanor Roosevelt. He then called for a moment of silent prayer - everyone responded.

b6
b7C

The first speaker was [] colored. His theme was on Racism and how it effects our economy. "The American people must be educated in order to bring an end to Nazism, anti-Semitism and Racism. We are forgetting that Americanism was founded on the principle that all men are created equal under God. I am proud to be here today as a representative of the Negro people. As a minority group, they play an important role in the struggle for civil liberties and human rights. We must forget our shortcomings and join hands in the fight against the destroyers of our democracy. We must educate our people against this tyranny that is emerging in the form of the Nazi and ultra-right. Only through unity and sacrifice - we can save humanity and preserve our human dignities."

The second speaker was [] of the Albany Park Hebrew Congregation and chairman of the Midwest Jewish Committee - recently spoke at a rally to protest the naming of General Adolph Heusinger to head NATO forces in Washington. In his opening remarks, [] commented on the picket demonstration taking place in front of the meeting hall and stated that everyone present go out into the street and counter-demonstrate against the "Brown Shirt Nazis". The speaker's theme in general dwelled on the history of Germany's Third Reich and its wrath it shown against the Jews during World War II.

b6
b7C

The next speaker was [] of the Chicago Anti-Adolph Heusinger Committee. Before expressing his views on the essence of this Rally, [] insisted that he be given a goal to speak toward and also the real purpose this meeting is being held. At this time the Chairman presented a Resolution calling for an end of Nazism, Anti-Semitism and Racism. [] returned to the speakers stand and reiterated most of the previous speaker's views.

CG 100-32906

At this time [] gave the collection speech. The total collected was \$121.50.

[] one time executive members of Metal Polishers Local 6, AFL, spoke on the plight of the Slavic people during World War II. He stated that the loss of Slavic lives at the hands of the Nazis were as great as the Jewish losses. As a representative of Slavic people [] offered physical and financial support to the movement to end race hatred.

b6
b7C

The fifth speaker was [] of the Emma Lazarus Federation of Jewish Women's Clubs. Up for deportation by the Immigration and Naturalization Service in 1960. This speaker's theme, in the main, dwelled on anti-semitism. She told of the past wave of anti-semitism that took place in Europe and the United States. Prior to this outbreak of anti-semitism, members of the former German Nazi Party held an anniversary conference in Cologne, France. In the early part of 1960, GEORGE LINCOLN ROCKWELL, head of the American Nazi Party, applied for a permit to hold a meeting in Union Square, New York City, on July 4th - Independence Day. In his vicious advertisement of this affair, it was stated that "all Jews should be sent up in smokestacks and all Negroes sent back to Africa." At this time, the speaker, [] emphatically stated that the resurgence of Nazism began in the United States and not in West Germany. - she claimed that 630 incidents of anti-semitism occurred in the United States compared to 600 like incidents that occurred in Europe.

b6
b7C

The last speaker was [] for the Chicago district of the United Electrical Workers Unions. [] recently signed an appeal to abolish the House Un-American Activities Committee. The speaker's remarks dwelled on racism in industry and the role it plays in our economy. In conclusion, he reiterated the former speaker's views on anti-semitism and added that the United States is responsible for the build-up of a new Nazi Party in West Germany. [] stated that high-ranking military officers of the former Third Reich are now active in West Germany's army and also hold key positions in NATO.

Subject: Picket Demonstration by the American Nazi Party, at a meeting of the Jewish Cultural Clubs of Chicago, Fine Arts Building, 410 S. Michigan Ave., 11 November 1962.

A protest picket demonstration sponsored by the American Nazi Party of Chicago, under the leadership of [REDACTED] was staged in front of the Fine Arts Building, 410 S. Michigan Avenue, during a meeting of the Jewish Cultural Clubs of Chicago.

Five members of the American Nazi Party, wearing full uniform, apparently designed to represent Nazi storm troopers of the Hitler era, replete with swastika armband, arrived at the scene of the meeting at 1400 hours. Armed with placards the five men paraded back and forth in front of the building. At the outset one member of the group was dragging a red flag on the ground. The flag bore a hammer and sickle insignia and what later proved to be a "Star of David" emblem. When the insignia was seen clearly [REDACTED] was asked to remove the flag from the demonstration. He complied with this request immediately.

b6
b7C

About the same time that the Nazi party members arrived a large group of men also appeared. These men were later identified as members of the Jewish War Veterans, who stated they had come to demonstrate against the Communist meeting that was taking place, but decided not to demonstrate for fear of being identified with the Nazi group. The group scattered and took up positions along the walls of the building and the curb line. At approximately 1415 hours a youth, said to be acting on his own initiative, stepped to the side of [redacted] one of the uniformed Nazis, and swung a vicious blow to the side of [redacted] head. At this same time a group of 10 or 15 men surged forward and pummelled other members of the ANP. The action was quickly broken up and members of the ANP requested that no arrests be made.

b6
b7C

The crowd that had gathered to observe was ordered to move along and quiet was restored. This quiet was maintained although many of those who had been ordered to move along had returned. A second disturbance began when a hysterical Jewish woman, complaining about the uniformed Nazis, pushed forward and tried to strike one of the Nazi pickets. Before she could be removed the crowd again surged forward and fighting broke out between the three pickets and a group of approximately 25 men, many of whom were members of the Jewish War Veterans.

This difficulty was quickly stopped and the area cleared. Again the leader of the ANP group, [redacted] was asked to sign complaints against the assailants, but again, [redacted] requested the police to release their attackers.

At about 1645 hours, when the picketing was about to break up, a young Jewish boy, mentioned previously in this report, who was standing in a crowd directly behind the pickets, was seen to throw an egg which struck [redacted] in the leg. When this boy was apprehended [redacted] asked if he could sign a complaint.

b6
b7C

The boy was taken into the first district where a disorderly conduct charge was made and complaint signed. The boy identified himself as [redacted] 18, [redacted] [redacted] and student.

A hearing in this case will be held on 16 November 1962. At this time the court is not known.

CG 100-32906

Three pickets took part in the picketing in addition to [redacted] previously mentioned. These three were [redacted]

During the demonstration other members of the American Nazi Party, wearing civilian dress, were identified as observers. These included [redacted] WAYNE MUELLER, JOHN WALLACE, [redacted] [redacted] and about eight others who were not identified by name.

b6
b7C

Placards carried by the pickets read:

COMMUNISTS UPSTAIRS
GAS THE COMMUNISTS
GAS THE COMMUNIST SCUM
COMMUNISM MUST BE SMASHED
THE JEWISH CULTURAL CLUB IS A COMMUNIST FRONT
COMMUNISM IS THE ENEMY
COL. ADOLPH EICHMANN IS INNOCENT.

Chicago, Illinois
January 10, 1963

The American Nazi Party (ANP) continues to maintain a Chicago Branch with headquarters at [redacted] Chicago, Illinois. The Chicago unit occupies the entire building at that address, which is composed of two floors.

b6
b7C

On the street level of the building is a small retail shop, which has been used until recently for the Vinland Book Store. At the rear of the book shop is a meeting hall and to the rear of that is an attached garage. On the second floor is a living room, office, kitchen and bath. Adjoining these second floor rooms are small bedrooms in which [redacted] permanently reside.

b6
b7C

At the present time, it is planned that the Chicago organization will fix up the basement of the building for future use as a recreation room.

As of January 10, 1963, the following are officers of the Chicago Branch, ANP:

[redacted]
[redacted]

b6
b7C

Group Leaders

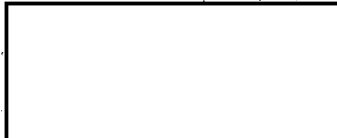

[redacted]

JOHN WALLACE
WAYNE MUELLER

JOE FUERY - Adjutant

There are presently four groups within the membership of the Chicago organization. These are: first, the Storm Troopers, which is composed of members who are willing to participate in all public demonstrations and activities and take part in all other assignments given them. Secondly, there is the Associate Storm Troopers, which is composed of those individuals who are willing to participate in "certain of the public activities" but not all. The third group are known as Associate Members and these are the individuals who remain in the background as far as public participation is concerned. They, however, will handle non-public assignments within the organization. The fourth and last group are known as Supporting Non-Members and are as their name implies those individuals who do not participate actively in the activities of the organization but rather "do their part" by means of financial contributions.

Regarding membership of the Chicago organization, the following individuals are considered as members, however, it is not known if they are officially carried on Party rolls as such nor is it known if they do in fact possess membership cards:

JOHN WALLACE
JOE FURRY

WAYNE MUELLER

RON FLECK

b6
b7C

It is understood that the ANP Headquarters at Arlington, Virginia, has purchased a new printing press and that if it is at all possible the old press formerly used by them will be turned over to the Chicago organization as a gift.

From all appearances the Chicago unit of the ANP is "all but broke". [] handles all funds and is the only one who apparently has real knowledge of the money on hand in Chicago but every evidence around the headquarters indicates that money is definitely short at the Chicago unit.

b6
b7C

The Chicago organization no longer operates a front group as such. The Fighting American Nationalists (FAN), which previously existed as a front organization in the Chicago unit, has remained out of existence and nothing has been done or said to indicate it will be reactivated.

Several of the younger future members have reactivated the White Youth Corps, which allegedly is not to be connected with the ANP, however, it will hold its meetings in the ANP building, will receive advice from the leadership of the ANP, and from all appearances will be subject to ANP for final authority.

[] currently make up the membership with one other unknown individual. All are high school students in the Chicago area. No definite plans for the White Youth Corps have been announced as of this time.

It has been learned that the reason for [] accompanying GEORGE LINCOLN ROCKWELL, the Party's National Commander, on a trip to Atlanta and Birmingham following ROCKWELL's last Chicago visit was principally to contact [] of the National States Rights Party and attempt to swing [] over with the ANP. Apparently secret conferences were held hoping to bring [] and as many of the NSRP members as possible into the ANP camp. [] it is said, was sympathetic to the principles of the Nazi Party, however, just could not bring himself to undertake the banner of the swastika nor the idea of representing himself as a Nazi. In addition, during the course of this trip, ROCKWELL and [] journeyed to Birmingham in an attempt to secure

b6
b7C

the release of [] from jail there. [] has apparently been incarcerated since his attack on Reverend MARTIN LUTHER KING. [] apparently visited in Arlington, Virginia, before journeying to Birmingham and Atlanta with ROCKWELL. He departed ROCKWELL in Birmingham and returned to Chicago.

an outside income I must find out where he is getting this money to spend. I have also been advised that GODY does a little too much drinking and perhaps at this time does too much talking." "If all the charges, or if most of the charges against [] are substantiated, I may have to take him back to Arlington with me for a course in handling of men. Obviously he is too soft for the job. He is a smart, capable and likeable person but lacks experience in leadership. I know he is sincere".

b6
b7C

One of the complaints lodged against [] by the membership was his failure to cooperate with the local police. ROCKWELL stated that he had given explicit instructions to his many branch offices to cooperate with both the local police departments and the FBI. All police departments have been told that they have the right to search the local headquarters of the ANP, the cars owned by local members and the persons of members if they deem it necessary. These searches can be made at any time and without benefit of search warrants. Any person or branch leader who fails to cooperate with the police will be dropped from membership. ROCKWELL also stated that he had advised his branch leaders to submit applications of all members, new and old, to the local authorities. "I have a definite reason for this order", said Rockwell. "There might come a time when one of our members is being tried for some offense. The fact that we have given all this information to the police will indicate that we have been cooperating and might have some bearing on the outcome of a trial if we HAVE TO SUBPOENA THE POLICE OFFICER TO TESTIFY FOR US."

Many times we get men who apply for membership who are wrong criminally. If they do not inform us of this on their application we are at a loss to do anything about it unless the local authorities from the information we give them, discover the person to be wanted or otherwise wrong. We immediately expel such a member. Also, I will drop from membership any member who refuses to obey a police command, any person who deliberately commits a criminal act, or any person who conceals a police record. In fact I have turned over members to the police when I discovered they were wanted."

ROCKWELL requested us to accompany him to the local headquarters to meet the new members recently added to the local roster. These men included, [] and []

Other members present at this time included:

29 January 1963

Subject: Interview with Commander G.L. ROCKWELL, cont'd.

During our time in the headquarters [redacted] was called to the telephone several times. Two of these telephone calls were from Max (MAYNARD) NELSEN, former leader of the National States Rights Party. Mr. NELSEN visited the downstairs office of the headquarters while we were present in the upper office. It is understood that Mr. NELSEN has applied for membership in the American Nazi Party.

b6
b7C

Another phone call for [redacted] was from a [redacted] known also as [redacted]. The Commander when he heard the name [redacted] asked for more specific information on this individual. It was said that [redacted] is an associate member who does not attend meetings but who has given things to the organization on occasion. The latest thing was an offer of a small printing press, electrically operated, that will turn out close to a thousand leaflets per hour.

b6
b7C

Commander ROCKWELL was asked about the printing press that he was reported to have been sending to the local office. ROCKWELL in response to this question stated that he has held back on this press until such time as it is definitely known that the headquarters will not be forced to move. Action has been taken by "enemy sources" to have the area around [redacted] "REZONED". IF THE CITY COUNCIL REZONES THE AREA THEN ANP HEADQUARTERS WILL BE FORCED TO VACATE THEIR LOCATION.

b6
b7C

ROCKWELL stated that this is another reason for his presence in Chicago. He intends to contest this rezoning as unconstitutional.

[redacted] was called to the telephone on another occasion by [redacted] who stated, "a fellow from Northwestern wants to talk to you." This reference brought some color to the cheek of Commander ROCKWELL who had previously informed us that he had a speaking engagement at a university outside of Chicago. He had stated that he wished to keep this matter strictly confidential until the day of his scheduled talk. (Northwestern University in Evanston has been reported as a likely place for one of ROCKWELL'S visits while in Chicago). If the talk is given at Northwestern University it will probably ~~take~~ take place at ELDER HALL, 2400 Sheridan Road, Evanston, Illinois. It will be sponsored by [redacted] of the house committee, which sponsors fireside chats. [redacted] at N.U. has refused permission for a ROCKWELL appearance and has stated that disciplinary action will be taken against the house and also against [redacted] if any nazi appears at their meeting.

29 January 1963

Subject: Interview with Commander G.L. ROCKWELL, cont'd.

In our discussion relative to the organizations membership applications several names were mentioned.

[redacted] who had applied for membership, but who never completed his application, was denounced because, "he is a queer" said [redacted] "I understand he was picked up by the police for trying to bugger a young boy in his basement". ROCKWELL added, "Yes and I am pretty sure he is a Jew."

b6
b7C

[redacted] former member, was mentioned and it was said that he contacted [redacted] again recently hoping to enlist [redacted] as an aide in starting a new NAZI Party. This was tried about a year ago and failed for lack of interest.

[redacted] the new arrival, is apparently in line for the top spot in the local setup if he desires to stay in Chicago. He appears to be well trained in the ROCKWELL tactics. [redacted] is an aggressive individual who frequently "blows his top" at Jews and Niggers. He recently did time for hitting Rev. Martin Luther COON (Rev. Martin Luther KING), a quote from ROCKWELL.

b6
b7C

[redacted] a bummish looking individual with a long criminal record is another recent arrival. [redacted] stated that he was in the Communist Party for about 14 months on the west coast. He suggested to ROCKWELL that he be allowed to join some local Communist front groups. On the evening of November 30, 1962, it was observed that from approximately 8:00 PM to 10:00 PM, a picketing demonstration was conducted in front of the Sherman House Hotel in downtown Chicago by members of the Chicago branch of the American Nazi Party. The demonstration was conducted in protest against a talk and showing of movies by [redacted] concerning a recent trip by [redacted] to Russia.

Participating in the demonstration in ANP uniform were the following:

Also present as observers were [redacted]

Those on the picket line carried signs such as "Communism Must Go" and "Sherman Hotel Supports Communists".

A large crowd gathered and the pickets were spit upon and showered with lighted cigarettes. At approximately 10:00 PM the crowd was routed by police and the pickets were entering an ANP truck to depart the area when [redacted] was attacked by a bystander. As a result, [redacted] were arrested and taken to jail.

b6
b7C

Later at ANP Headquarters at 2124 North Damen Avenue, Chicago, [redacted] and WAYNE MUELLER were present. [redacted] stated that as a result of the arrests, some changes will have to be made in their way of operating. He stated he believed this is the way to do it, that is, to stand and take it on the picket line; that HITLER made a mistake by starting violence early in Germany and as a result his movement was set back several years before he got enough strength to start making headway. He said that by being the underdog on the picket line the ANP can pick up sympathy regardless of

what it stands for by merely letting the Jews demonstrate their willingness to resort to unlawful harassment. In the incident tonight, for example, the ANP was engaging in peaceful picketing, against a Communist, and they are attacked and subjected to indignities by Jews in the crowd, led by a member of the Mayor's staff, and arrested. At the same time the Communist goes unchallenged. This can only lead observers to conclude what the ANP has been saying all along about a Jew-Communist conspiracy. He further stated that, as the disturbance was provoked by a member of the Mayor's staff, the conspiracy obviously extends into the city administration and the Mayor either is a willing party to it or is a political captive of the Jews to the extent that he can do nothing about it.

[redacted] announced that the membership both at Arlington, Virginia, and Chicago, is to be re-organized into four groups as follows:

1. Stormtroopers - This group will be available for any activity.
2. Associate Stormtroopers - This group will participate to a limited extent in picket demonstrations and other public activities.
3. Associate members - This group will participate in no public activities but will contribute financially.
4. Supporting non-members - This group will not be members but will contribute financially.

The first three categories will all be members of the

ANP.

[] then announced that [] and WAYNE MUELLER have been promoted to group leaders. Then he spoke of the bad finances in the party and how they badly need contributions.

b6
b7C

[] told of some trouble the ANP has recently had at the Arlington Headquarters with homosexuals in the organization. He did not elaborate except to state that it had been decided that the organization will rid itself of all homosexuals. He said that every member will have to execute a notarized affidavit stating that he is not now and has never been accused of being a homo and this affidavit filed with the ANP.

No further business was transacted.

Date 2/4/63

GEORGE LINCOLN ROCKWELL. Commander. American Nazi Party, in the company of [redacted] and [redacted] both officers of the American Nazi Party, advised he was currently visiting in Chicago, Illinois, and while here wished to make known to the FBI certain of his instructions to the membership of the Chicago Branch, American Nazi Party, regarding their future relations with duly constituted law enforcement officers. ROCKWELL explained it has always been his policy to extend full cooperation to the FBI and to police departments wherever his organization operates. One of the reasons for this policy, he said, is that he wishes to make certain he is never accused of operating a secret organization.

b6
b7C

ROCKWELL stated that he has issued instructions to his officers in Chicago to furnish the police department with copies of all membership applications for his party. He asked if this practice is desired by the FBI.

ROCKWELL was informed that the FBI would accept all information which he or his associates desired to furnish however, the receipt of such information by the FBI should not be construed by ROCKWELL or his organization as indicating the FBI approves of or sanctions the American Nazi Party, its members or activities. By so doing this Bureau is extending to he and his associates the same courtesy and attention available to any individual wishing to furnish information to the FBI. ROCKWELL was emphatically advised this does not in any way remove the responsibility the FBI has of pursuing its investigative interest in matters effecting the United States Government.

ROCKWELL stated he fully understands and appreciates the position of the FBI and admires the honesty and objectivity of this Bureau. In all his dealings with the FBI, ROCKWELL said, he has admired the Bureau representatives and the professional approach shown by them.

On 1/29/63 at Chicago, Illinois File # CG 157-3
by SA ROBERT J. DOLAN and SA [redacted] Date dictated 2/1/63

b6
b7C

ROCKWELL stated that he realizes that because of the controversial nature of his organization and its adoption of the Swastika as a symbol the movement is certain to come under the scrutiny of the FBI and other law enforcement agencies.

ROCKWELL advised he came to Chicago principally to "put down a little mutiny". He explained that [redacted] of the Chicago Branch, American Nazi Party, has listed a number of charges against [redacted] who is currently serving as [redacted] of the Chicago Unit. ROCKWELL stated he considers [redacted] to be a "sneak" and one who has grown "cocky and too big for his britches". He added that in all probability [redacted] will be removed from Chicago and perhaps from the party entirely. ROCKWELL stated that [redacted] and another member, [redacted] both from the National Headquarters, Arlington, Virginia, are also visiting in Chicago. He stated that at this time it is his intention that these two men will stay on in Chicago for an indefinite period to assist in the operation of the Chicago Unit.

b6
b7C

ROCKWELL made reference to two former members of the Chicago organization. He stated that [redacted] former [redacted] at Chicago, is now completely disassociated from the American Nazi Party. ROCKWELL stated that it is his understanding that [redacted] is currently attending the University of Illinois. ROCKWELL stated that [redacted] formerly a member of the American Nazi Party, has been dismissed from membership due to repeated misconduct and drunkenness. ROCKWELL stated that he reinstated [redacted] at the insistence of the membership but dismissed him again. He is now completely disassociated from the American Nazi Party. ROCKWELL added that his whereabouts are unknown.

b6
b7C

ROCKWELL stated that [redacted] a member of the American Nazi Party, was sent to Chicago by ROCKWELL in an effort to supplement the membership of the Chicago organization. ROCKWELL stated that [redacted] has presented a disciplinary problem to him both at National Headquarters and at Chicago. He stated that he has become arrogant,

CG 157-3

insubordinate and almost impossible to control by officers of the Chicago Unit. However, ROCKWELL stated he has found [] to be courageous and loyal and for these reasons will prefer to keep him within the organization at Chicago. ROCKWELL added that [] has no specific assignment other than serving as a stormtrooper. He stated that he will "shape him up" at Chicago or will return him to National Headquarters at Arlington.

b6
b7C

While in Chicago, ROCKWELL stated he will "look into" a number of building code violations which have been filed against the owner of the building housing the Chicago Headquarters of the American Nazi Party, [] and against [] as the tenant of that building. ROCKWELL stated he believes the violations charged against them is merely an attempt to pressure the owner of the building into evicting the American Nazi Party and ultimately to destroy the organization in Chicago.

ROCKWELL stated his unit in Chicago presently has about 25 members broken into three categories: those who participate in all functions of the party; those who for one reason or the other participate in only certain of the public functions; and those who for their own reasons prefer to remain in the background and not be identified publically. ROCKWELL stated that at the present time he has given no thought to transferring National Headquarters to Chicago in spite of the rumor that was prevalent some months back. He pointed out that they "never had it quite so good" except for the question of money. He noted however that the financial situation may improve appreciably within the next few months. In this regard he stated he contemplates a further publication of his book "This Time The World" and the release of a long playing record containing speeches regarding the American Nazi Party movement. In addition he noted that he expects some publicity to result from a forthcoming article in "Esquire" magazine to be entitled "An American Jew Looks At an American Nazi".

CG 157-3

ROCKWELL stated he expects a breakthrough" within the next six months. He explained that he means a change in the laws effecting his movement and as a result the possible prosecution of himself and/or some of his members. He noted that he expects that such prosecution will result in favorable publicity of his cause.

ROCKWELL stated that while in Chicago he will appear on Friday, February 1, 1963, before a student group on the campus at Northwestern University, at Evanston, Illinois. He advised that no other Chicago appearance is planned at this time and that he will return to Arlington subsequent to his appearance at Northwestern University. He noted that he hopes in the near future to make a number of personal public appearances at colleges and universities throughout the country.
